## **Who We Are And What We Do**

Launched in Atlanta, Georgia 2023, The Lift Every Vote And Rise initiative aims to create ground-breaking voter advocacy to protect the freedom to vote in Georgia and across the country. We firmly believe in Secure, Accessible and Accurate elections. Our comprehensive strategy is designed to address the systematic barriers implemented to deter Black and brown voters within the state of Georgia.

With the truncated runoff period, limited early voting and weekend voting opportunities, accompanied with relentless barriers regarding mail-in voting rules, long lines and restricted access to drop boxes - Georgia has once again failed to show up for the people. Our primary goal is to work to ensure Georgians have the access, knowledge and power to exercise their freedom to vote.
